ORDER

The court fully understands that the issues presented in this litigation are important to all parties. The parties are well-funded and aggressively represented, and it is plain that counsel have far more time and resources available to devote to this case than does the court. The inbox is now full. So, no further motions shall be filed in this case for the next thirty (30) days without prior leave of the court, which will be given only for good cause shown under exceptional circumstances.

SO ORDERED.
